THE CITY OF WINDSOR JOINS HIS COLLEAGUES, FRIENDS AND ADMIRERS
IN EXTENDING THE BEST OF WISHES TO
THE HONOURABLE MR. JUSTICE SAUL NOSANCHUK ON HIS RETIREMENT

In the life of any community, few people can be said to have had a profound and immediate influence and also a lasting effect on our social attitudes and our progressive reputation within the complex and diverse society which is the nation of Canada.

But we are proud to affirm our belief that the Honourable Mr. Justice Saul Nosanchuk is exactly such a person, and we enthusiastically participate in this tribute to his long service, not only as an esteemed member of the Ontario Court of Justice but to his involvement in our community as an concerned citizen and a warm, generous spirited and open hearted friend.

Mr. Justice Nosanchuk is Windsor born, Windsor raised and Windsor perceptive.

In the early years of his career, Mr. Justice Nosanchuk served with distinction as a member of the bar, specializing in criminal law and defending clients with a fervour and earnestness which made him an innovative and admired advocate.

When he was elevated to the bench, Mr. Justice Nosanchuk rapidly acquired a reputation for dealing with complicated and often precedent setting situations with dignity, civility and the understanding of a life which has enabled him to perceive the cases before him with experience, impartiality and compassion.

Now, we gather to congratulate, commend and extend our kindest thoughts to Mr. Justice Nosanchuk as he bids farewell to this portion of his long and honoured career. The members of Windsor City Council join me and the residents of the City of Windsor in wishing him many years of happy, healthy and fulfilling retirement.

Mr. Justice Saul Nosanchuk has made his mark, not only on the courts of our own region but on the judicial system of our Province and nation, and we are proud of him and all that he has achieved in his long and distinguished career. All the best,
Your Honour!
